NUMBER 44

Aid To Russia Drive Well Supported

With the closing of the clothing depot in the King Motors building and the receipt of several cash donations recently, the Aid to Russia campaign is now officially closed for the moment, with \$1,007.72 in cash and 262 pieces of clothing of various kinds, donated by a wide circle of people both in and out of Raymond all of which shows a splendid spirit on the part of the public to the needs of our Allies, and is a source of deep satisfaction to the Committee who were charged with the responsibility of putting the drive over and who received such splendid support.

Without mentioning individual subscriptions and individual performers on the evening of the wonderful program, let us say that the willingness of people both in and out of Town to assist on the program, with some of them travelling from Cardston, others from Lethbridge and from various other points, was a gesture which is certainly praiseworthy, and locally the people could hardly have done better for any purpose than for the Russian relief drive.

\$293.52 were collected in various ways at the dance including sale of refreshments of various organizations and clubs, raffle of quilts donated by the Ward Relief Societies, and so on more than seven hundred dollars were donated directly, and then if a value were placed on the clothing donated the total would be swelled again to a really large amount.

Following is the Committee's letter, thanking all who aided in any way in the drive and despite the fact that it has been crowded out of several issues we are printing it to express to the public at large the appreciation of the Committee personnel for the fine

FOSTER HEWITT

To millions of hockey fans, the voice of Foster Hewitt is the most familiar of all on the air. Here he is at the microphone ready to start the Saturday evening entertainment. Fans all over the Dominion listen to him in rapt delight, but to radio men, interested in his technique, it is a recurring miracle how he manages to record the games, play by play, at lightning speed, and with incredible accuracy, while down there on the ice skates flash, sticks dart, and the elusive puck flies from corner to corner. To Canadian ears, Hewitt remains the ace hockey reporter on any network. Foster Hewitt is heard on the N.I.L. Hockey broadcasts from Toronto at 8:05 p.m. (7:05 p.m. MDT) on Saturdays. This broadcast is carried on station CBK Watrous, and other Western stations.

support given: Dear Friend:

Two months of the intensive financial drive in support of Canadian Aid to Russia Fund were brought to a successful conclusion on February 4th when a program and dance were held in the Opera House for further swelling the Fund and your entertainment as a token of appreciation of your part in this drive.

The results of the entire campaign are gratifying indeed. The total collections amount to \$900.72.

Your wholehearted support and generous contribution have clearly proved that "A Friend in need is a Friend indeed."

We are sure that your gifts at the time of their desperate need will be much appreciated by the Russian people.

On behalf of the Raymond Branch of Canadian Aid to Russia Fund, permit us to extend to you our gratitude for all you have done to make this program of the event on February 4th.

We trust that you feel gratified in knowing that the Canadian Aid to Russia Fund will not only alleviate sufferings of the Russian people but it will strengthen the Red Army and at the same time will have significance for the future. It will help to build up understanding and goodwill between the Canadian and Russian people. This is important in view of the fact that Canada entered into a 20 year pact with Soviet Russia.

Once more we wish to thank you friend for your magnificent support and co-operation in this vital cause.

Very Cordially Yours,
Raymond Branch Canadian Aid to Russia Fund.

John Landysheff, Chairman
H. Pack, Secretary.
R. J. Wells, Treasurer.

J. Horvath: In charge of clothing department.

NEWS NOTES

Dr. F. M. Hall drove to Calgary on Sunday and returned home Tuesday evening.

A great many Raymond and district beet growers were in Lethbridge Thursday for the annual meeting of the Beet Growers' Association.

New licenses for cars and trucks are on sale now. They are black on orange and only one plate is issued to each vehicle. This is to be fastened to the rear end. We haven't seen any on local vehicles as yet.

A. E. Hancock who has been Accountant at the Cheese Factory since last fall, has severed his connection with the Co-op and is going to devote his entire time to his dairy business farm.

Aid The Red Cross

In a statement to the press and the provision of hospital supplies is a constant drain on the Governor General Dominion President of the Red Cross our resources.

"Another important item in the Red Cross bill is the Blood Donor Service, which has meant the saving of so many lives and the alleviation of so much pain. All these things cost money, and as President of the Canadian Red Cross Society, I ask all Canadians to give everything they can to this most worthy cause.

"The longer the war lasts, the greater is the human suffering it brings in its train. The Canadian Red Cross is dedicated to the relief of that suffering and it is the privilege and responsibility of the Canadian people to see that this work is neither interrupted nor retarded through shortage of funds. I feel sure that I do not appeal to you in vain.

"We must remember also that many of the comforts for the men in our armed forces are supplied by the Red Cross.

Local Red Cross

In the midst of the Red Cross Drive now on, possibly the work report of the Ladies Section of the local organization for the past year which was presented at the recent annual meeting, may not be out of place in the columns of this week's paper.

It represents many hundreds of hours of work on the part of hundreds of ladies throughout the entire district, and undoubtedly, the articles knitted and sewed have, or will bring great relief to our men and women in the services throughout the world, who but for the work of such organizations as the Red Cross and other relief organizations would find many unpleasant conditions in their experiences on the fields of combat and in advanced training.

The report was presented by Mrs. J. S. Madill, Chairman of the Ladies Section of the Red Cross and covers the year 1942.

A total of 2523 articles had been forwarded to headquarters during the 12 month period and made up as follows: knitting department under the direction of Mrs. J. Miller, assisted by Mrs. R. Wells and Mrs. R. J. Fauset.

Men's socks 223 pairs, pull-over sweaters 74; turtle neck sweaters 35; sea men's stockings 47 pairs; scarves 95; helmets 10; mitts and gloves 24; women's sweaters 21; and baby socks 85 pairs; toques 26; boys' sweaters 120; boys' mitts and gloves 45 pairs; babies' stockings, 12 pairs and socks five pairs.

Stirling as an auxiliary of the Raymond Red Cross received their supplies from the local work room here and during 1942 made the following: Pillow cases 2; dresses, 7; men's socks 59; sweaters, 35; sea-

Work Report

man's stockings, 8; turtle neck sweaters 13; helmets, 6; scarves, 2; women's ankle socks 62; toques, 18 sweaters, 21.

From the sewing department under the supervision of Mrs. J. L. Hawkins the following articles were made: Men's and boys pyjamas, 137; pneumonia jackets, 1; dressing gowns, 1; hospital gowns, 30; towels, 154; sheets, 36; pillow slips 233; quilts 29; bandages 72; rugs 6; hot water bottle covers 18; children's articles, girls coats 1; boys' trousers 2; boys' shirts 1; girls pyjamas 6; girls' dresses, 43; girls' shirts 15; blouses 15; slips 18; bloomers 5; infants' clothing Nightgowns 28; slips 6; diapers 138; rompers 8; quilts 2; and sleepers 4.

Mrs. Madill announced that ward Relief Societies Ladies Aid and various groups and clubs with its many women workers had all rendered great by appreciated services.

MARCH IN LIKE A LION

If the old saying about March coming in like a Lion and going out like a Lamb is true we can look for good weather the end of the month, as she came in like a lion alright. Snow commenced falling about 8:30 a.m. Sunday morning, and kept it up quite steadily all day the thermometer gradually falling during the afternoon as the wind from the north increased, causing the snow to drift. Monday was cold with the wind in the north most of the day and only, until along toward afternoon when the skies commenced clearing, and Tuesday morning the wind was in the south-west, but still sharp. The thermometer was at zero at daylight Monday morning.

Cadets Listen To Malta Ace At Lethbridge

The local squadron of the Air Cadets, almost 100 p.c. went to Lethbridge Tuesday afternoon to meet and listen to Flying Officer George "Buzz" Beurling, hero of air fights over Malta and who has 29 planes known destroyed, and 30 more possible to his credit in his air fights so far. The following was given us by one of the boys who made the trip.

NEWS NOTES

Mrs. Luella LeBaron was a Raymond visitor Tuesday morning while waiting for the train to take her on to Cardston for a visit with her mother.

Mrs. E. J. Hutchison received a letter this week from her son Art, who is now in the Bahamas. Art is really enjoying the tropics and finds the native people, and their habits very interesting.

Messrs. A. W. Jones, J. D. Hall, Jos. McLean and S. I. May went to Milk River Tuesday evening to talk Municipal Hospital with the people there. A fair crowd attended the meeting, but were not interested in joining a Hospital district.

The Music Club held their meeting on March 1st at the home of Mrs. Gladys Gough with Mrs. Reithman assistant hostess, with Ruth Holt taking charge "O Canada" was sung and the book "I heard the Anzacs Singing" was reviewed by Mrs. L. Palmer, and a delicious lunch was served.

Dahl's big oil truck was forced off the highway between here and Calgary the first of the week, the gas spilled and the frame bent. Casey Veen and Lloyd Dahl, who were in the truck were thrown out and Casey was badly shaken up but recovering now. The truck is being repaired.

Speaking to the boys he urged them to live clean and to leave tobacco and liquor absolutely alone. Success as a pilot, or any one in a fighter plane depended on quick thinking and clear mind, and to have these one needed a body and brain free of the effects of smoking and drinking. (Incidentally "Buzz" doesn't touch any of these things.)

The boys were then taken to the large mess hall where they had a fine lunch and then watched as "Buzz" and another flier went up in a fighter plane and gave them a demonstration of aerial tactics in fighting, and they also watched two Catalina Flying boats come in.

The troop arrived back home about 9:30 p.m. with the memory of a great experience behind them and the satisfaction of meeting a hero of the present conflict, who was itching to get back into the fight and take a few more cracks at enemy ships. The boys and their officers made the trip in Ralph's Transport.

GERALD NOXON

Special thanks are due every one who donated their time during the week to assist in issuing the books, and especially to Mesdames Ira McBride and Gerin Turner, who organized the ladies for the distribution and who supervised during the entire work and kept the work going smoothly.

There were 2,779 books issued during the six days going out Wednesday which was the biggest day's work.

Besides the two organizers, the following all assisted in the work, all business houses and the Factory, loaning members of their staffs for part of the time:

Leonard Watson, Mrs. Thelma, Mrs. Summers, Mrs. Walcott, Wilma Sonenson, Mrs. I. Kitchen, Melba King, Mrs. R. Mitchell, Mrs. Renan Pack, Edna Rolfson, Mrs. J. Miller, Mrs. Irene Bowden, Mrs. Della Jackson, Mrs. Jack Kenney, Mrs. Ted Meeks, Alma Reid, Mrs. Loren Larson, Mrs. Bruce Haggis, Mrs. Merrill Nielson, Mrs. Carlyle, Litchfield, M. T. King, Rowan Stutz, J. Orvin Hicken, Miss Myrtle Johnson, H. Dean Polson, Welburn VanOrman, Hazel Redd, Beth Rankin.

Gerald Noxon, who is of the United Empire Loyalist parentage, was born in Toronto. He obtained his education in England and France, worked on documentary films in Britain, and when he returned to Canada produced the first entirely French film. Since that time he has studied free lance journalism in Washington. His first major series for the CBC was "They Fly For Freedom," and shortly after that followed the "Our Canada" series.

THE BOARD OF TRADE AND YOU!

When nine people turn out to an Annual Board of Trade meeting, one wonders where our interest is in civic and district affairs, but one does not need to wonder that we are not progressing faster in improving our Town and district than we are under such conditions. There was a basketball game, and the Town Council was in session, but these would only account for a very few of the people who should attend and take an active part in the Board of Trade.

It is an organization with only one purpose, that is the improvement and building up of our Town and district. The Board of Trade lends more weight to petitions and drives for specific objects than any other single organization, and yet, it seems the only time we think of it is when we have an axe to grind. If we could have a membership of 200 and meetings attended by 75 or more interested members every month, programs would be drafted and put over that would amaze everyone. As it is a few meet and do their best, and all they get for it is criticism because they do not farther and work on the objects that non-supporters think they should.

Let's try and remember the

F. R. TAYLOR SPEAKS TO ROTARY

Frank R. Taylor, Agricultural Superintendent of Canadian Sugar Factories Ltd., was speaker at the Rotary Meeting on Monday, and told of his experiences on his recent trip to British Columbia to about obtaining some more Japanese families for work in the beet fields of the district.

They had visited one camp, where Japanese families had been placed, and he stated that it was well organized and the people were very well taken care of. Houses were grouped in small groups, and each house accommodated eight persons. They were well built, were comfortable, provided with electric lights, this particular camp having two diesel plants, each group of houses were provided with a water tap, and stores of all kinds of supplies, supervised by the Government, were kept on hand all the time and each person was issued so much in rations at regular intervals. The people enjoyed themselves and many of them showed no inclination at all to come to the prairies to work in the beet fields although he thought that a number of families would come.

Lee Brewerton asked the assistance of the Club in the Red Cross Drive now under way, and the vote was for the members to vote the same part of Town as had been canvassed last year.

The next meeting when it is announced and be on hand to assist in whatever way we can to form a good live Board of Trade, and then let's make a difference at the monthly meeting part of our program so that it will thrive and prosper at least a part of what it is expected to accomplish.

BASKETBALL CHATTER

Stones defeated the Merc. by a 29-28 score on Monday in a thrilling contest. This game gave them the league leadership.

On Wednesday the 1st Ward Elders showed flashes of brilliant play that had Stone's baffled. Final score 30 Stone's 15.

Lineup, Stones—Roi Stone, Ken Stone, Jack Stevens, Wick VanOrman, Scott Salmon, Bill Nalder and Ken Miller.

Elders—Cliff Nalder, Rowan Stutz, Athol Cooper, Marian Tellestrup, Bill Meeks and Lincoln Wool.

The Elders play the Merc. on Monday and Stones play the Elders on Wednesday, with the league playoff starting the following week.

The game on Monday night will be in the Ili School gym.

Here is the League standing for the Raymond Mercantile Co. trophy:

Stones: Won 4, lost 3.
Elders: Won 3 lost 3.
Mercantile: Won 3, lost 4.

RENEW YOUR RECORDER

Miss Hazel and Teddy Allen left Wednesday afternoon for Vancouver where they will seek war industries in that city.

The thermometer did a nose dive Wednesday afternoon starting about 4:40, and snow fell until well into the night accompanied by a stiff north wind. Thursday morning the skies were clear but it was still quite chilly.

Only the RED CROSS Can Pass

With Food and Comforts for Our Prisoners of War!

BARBED WIRE and enemy guards "do not a prison make" for Canadian soldiers captured by the enemy. Their thoughts, winging across the sea, meet Red Cross parcels on their way to them. Last year, the enemy said "pass" to 2,000,000 such parcels. They were packed with 22,000,000 pounds of food and comforts welcomed by men to whom the barest necessities have become luxuries. But, most of all, to each prisoner every Red Cross parcel is a message from home—a definite assurance that he is not forgotten, a reminder that no captured Canadian soldier is ever marked "off strength" by the Red Cross. Thirty percent of the money you gave to the Red Cross last year was used to provide parcels for prisoners of war. The money you give now will help to keep up and increase this flow of good cheer and hope to these lonely men. Consult your heart... Obey its dictates... Give liberally

CORRESPONDENCE

Three weeks ago we voted and reinstated our Mayor and councillors. These men, I'm sure would invite constructive criticism from anyone providing that it is for the benefit of the community as a whole.

Raymond has great possibilities as a business center with its factory and other projects started one would expect to see a clean progressive town. But for a number of years people from the outside have formed a bad opinion of the uncleanness which exists here. This is entirely the fault of the people who reside here.

This is war and no doubt we should do all we can towards winning this war, but there are two sides to every question.

I believe the barn yard and cesspool problems are and have reached a high or as high as they should ever be allowed to go. It seems to make very little difference to those who have farms in town whether it is or isn't satisfactory to the neighbors as long as they can reap a profit financially from their hogs and cows.

Hogs are a good price, easy to raise and the filth and stink created by them is secondary. Manure piles create flies and flies carry disease.

We are bound to have disease and scourges after or even before this war is over. You who keep a filthy barnyard may be helping disease to spread. Don't think this is not possible.

The dollars that you profited from your hogs may well have to be spent on Doctor and Hospital bills and we know they are not free.

Cleanliness is the first law in Heaven.
